MARKET CITY SHOPPING CENTER HELPS WITH SERVING ALOHA

Market City Shopping Center collected canned goods, nonperishables and toiletries from the community during a weeklong canned food drive, and also donated \$1,000 in support of Central Union Church's Serving Aloha program. The initiative assists families and individuals who are facing food insecurity due to the economic effects of the coronavirus. Pictured are (from left) Marvin and Sandra Fong of Market City Shopping Center; Martha Balkin, Central Union Church chairperson; and Karl Hedberg, Central Union Church Serving Aloha chairperson.
